

Malaika Migration Camp Fact Sheet

■ Types of Tents

Standard Tent – Single, Double, Triple.

About us.

Malaika Migration Camps follow the path of the Great Wildebeest Migration through two seasonal camp locations.

During the calving season, the camp operates as Malaika Ndutu Migration Camp in Ndutu, Ngorongoro.

As the herds move north, the camp shifts and transforms into Malaika Mara River Migration Camp in the Mara River region of Northern Serengeti.

This mobility ensures guests experience the migration at its most dramatic moments, where nature, movement, and adventure come together.
